WORK EXPERIENCE

Flutter App Development

ITSAWK Academy

09/2023 - 01/2024

Pakistan, Kpk, Peshawar

Itsawak Academy is a dynamic and forward-thinking educational institution specializing in cutting-edge technology training.

Achievements/Tasks

- Completed comprehensive training in Flutter app development at Itsawak Academy, showcasing proficiency in creating cross-platform mobile applications. Applied knowledge in UI/UX design, state management, and integration of third-party APIs to deliver responsive and feature-rich applications.

SKILLS

Flutter

Photoshop

Flutter Api Calling

Dart

Firebase

PERSONAL PROJECTS

Calculator App (08/2023 - 09/2023)

- Created my first mobile application using Flutter and Dart. This app offers essential mathematical functions in an intuitive and user-friendly interface. It demonstrates my initial proficiency in mobile app development and my dedication to learning and honing my skills.
